What is tremoloTV?

- ▶ Our streaming tv option that offers the same features as traditional tv service
- ▶ Live TV over the internet through the tremoloTV app
- ▶ No Set Top Boxes required

What is tremoloTV?

- ▶ Since live TV is offered through the internet, there is no need to have wires ran to every TV that you would like to watch
- ▶ Instead, your device acts like the set top box via the tremoloTV app

What is tremoloTV?

- ▶ All the same features you are used to with our traditional television
 - ▶ Live TV
 - ▶ DVR
 - ▶ 24-Hour Lookback
- ▶ However there is one major feature you get with tremoloTV that you do not get with traditional TV

What is tremoloTV?

- ▶ You can take it with you and watch anywhere in the USA
 - ▶ As long as you have an internet connection
- ▶ You will be able to watch most of the channels you are subscribed to, but some local channels do have contractual limitations
